

Participation of Volunteers and Students Policy

Mandatory – Quality Area 4

PURPOSE

This policy will provide guidelines for the engagement and participation of volunteers and students at Rowen Street Kindergarten Inc., while ensuring that children's health, safety and wellbeing is protected at all times.

POLICY STATEMENT

1. VALUES

Rowen Street Kindergarten Inc. is committed to:

- supporting connections with educational institutions to provide opportunities for students to undertake practicum placements as part of their studies
- building relationships with community members and providing suitable opportunities to engage volunteers to contribute to the programs and activities of the service
- ensuring the health, safety and wellbeing of each child at the service through consistent compliance with this policy and procedures when engaging volunteers and students.

2. SCOPE

This policy applies to the Approved Provider, Nominated Supervisor, Certified Supervisor, educators, staff, students on placement, volunteers, parents/guardians, children and others attending the programs and activities of Rowen Street Kindergarten Inc.

3. BACKGROUND AND LEGISLATION

Background

Volunteers and students may participate in programs and activities at the service from time to time in order to observe and experience the provision of centre-based education and care. This will be encouraged and facilitated by Rowen Street Kindergarten Inc. wherever appropriate and possible.

Rowen Street Kindergarten Inc. values the participation of parents/guardians and other family members, and the voluntary contribution they make to the education and care of their own and other children. "In genuine partnerships families and educators value each other's knowledge and roles, communicate freely and respectfully and engage in shared decision making" (*Early Years Learning Framework*). Rowen Street Kindergarten Inc. aims to provide a range of opportunities for family members, volunteers and students to participate in programs and activities while adhering to clear guidelines regarding appropriate interactions and communication with staff, and other adults and children at the service (refer to *Code of Conduct Policy*).

Volunteers and students can expect:

- a safe and well-managed workplace
- meaningful work experience with appropriate direction, supervision and training

- recognition for their contribution.

The role that volunteers play in children's services varies and can include working with groups of children, preparing materials or food, assisting with administrative tasks, and other general tasks or working one-on-one with individual children. The Approved Provider is responsible for ensuring that volunteers are suitable to work with children, and that children's health, safety and wellbeing is protected at all times.

Prior to participation at the service, a volunteer (aged 18 years or over) must be in possession of a valid Working with Children (WWC) Check card, unless they are under the direct supervision of an educator who is over 18 years of age and holds, or is actively working towards, an approved diploma-level education and care qualification (Regulation 358) (refer to *Staffing Policy*).

Volunteers should only be engaged to complement, not replace, the work of paid staff. Accordingly, services should not engage volunteers to fill the place of an employee who is ill or on leave, or to fill a vacant budgeted position.

Volunteers must not be asked to perform tasks:

- that they are untrained, unqualified or too inexperienced to undertake
- that put the children or themselves in a vulnerable or potentially unsafe situation
- where there is a conflict of interest.

Prior to commencing work at the service, all volunteers should be interviewed to ascertain their suitability for, and interest in, the tasks they will be undertaking, and to assess whether the volunteer's goals can be achieved. The interview process also provides an opportunity for volunteers to have their questions answered. Reference checks must be undertaken by the Approved Provider or a nominee of the Approved Provider, to confirm work abilities or character attributes. Good practice in volunteer management includes acknowledgement and recognition of volunteer contributions, and this can involve a mixture of formal and informal recognition strategies.

It is a requirement under the *Education and Care Services National Regulations 2011* that the Approved Provider uses the staff record to document the details of all students and volunteers. The staff record must include the full name, address and date of birth of each student or volunteer who participates at the service. The Approved Provider of a centre-based service must also keep a record for each day on which the student or volunteer participates at the service, including the date and the hours of participation. In addition to this, it is recommended that students and volunteers undertake an induction to the service and complete an induction checklist (refer to Attachment 1), which should also be stored with the staff record.

Relevant legislation and standards include but are not limited to:

- *Education and Care Services National Law Act 2010*: Section 169

4. DEFINITIONS

Approved Provider: An individual or organisation that has completed an application form and been approved by the Regulatory Authority as fit and proper (in accordance with sections 12, 13 and 14 of the National Law) to operate one or more education and care services.

Certified Supervisor: An educator with a supervisor certificate (in accordance with the National Regulations) who may consent to being placed in day-to-day charge of the education and care service. The designation must be made by the Approved Provider or the Nominated Supervisor and accepted in writing by the Certified Supervisor. A Certified Supervisor placed in day-to-day charge of a service does not have the same responsibilities under the National Law as the Nominated Supervisor. Applications for supervisor certificates are assessed by the Regulatory Authority.

Conflict of interest: (In relation to this policy) refers to an interest that may affect, or may appear reasonably likely to affect, the judgement or conduct of the volunteer, or may impair their independence or loyalty to the service. A conflict of interest can arise from avoiding personal losses as well as gaining personal advantage, whether financial or otherwise, and may not only involve the volunteer, but also their relatives, friends or business associates.

Nominated Supervisor: A person who is a Certified Supervisor and has been nominated by the Approved Provider of the service under Part 3 of the Act to be the Nominated Supervisor of that service, and who has consented to that nomination. The Nominated Supervisor has day-to-day responsibility for the service in accordance with the National Regulations. All services must have a Nominated Supervisor

Regulatory Authority: The Department of Education and Training (DET), is the Regulatory Authority in Victoria, with primary responsibility for the approval, monitoring and quality assessment of services in accordance with the national legislative framework and in relation to the *National Quality Standard*.

Student: A person undertaking a practicum placement as part of a recognised early childhood qualification. This student will be supported by an educational institution in the completion of their placement.

Volunteer: A person who willingly undertakes defined activities to support the education and care programs at a children's service in an unpaid or honorary capacity. These activities may include direct contact with children, administrative tasks, or preparing materials or food.

Working directly with children: For the purposes of the National Regulations, working directly with children is defined as being physically present with children and directly engaged in providing them with education and/or care.

Working with Children (WWC) Check: The check is a legal requirement for those undertaking paid or voluntary child-related work in Victoria and is a measure to help protect children from harm arising as a result of physical or sexual abuse. The Department of Justice assesses a person's suitability to work with children by examining relevant serious sexual, physical and drug offences in a person's national criminal history and, where appropriate, their professional history. A WWC Check card, notice or document (valid for five years), is granted to a person under working with children legislation if:

- they have been assessed as suitable to work with children
- there has been no information that, if the person worked with children, they would pose a risk to those children
- they are not prohibited from attempting to obtain, undertake or remain in child-related employment.
